Avg Delivery Days

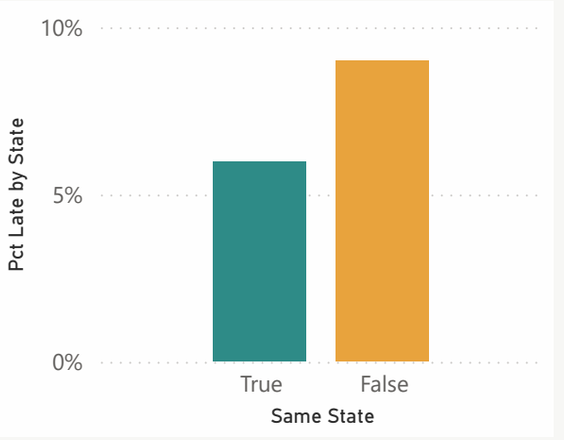

6.77%
% Orders Late

63.82%
Pct Cross State

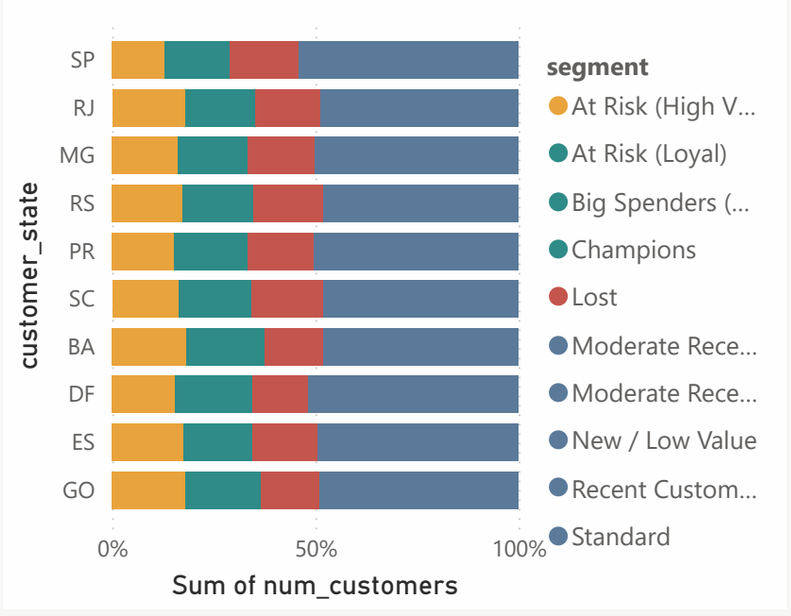

4.03
Avg Review Score

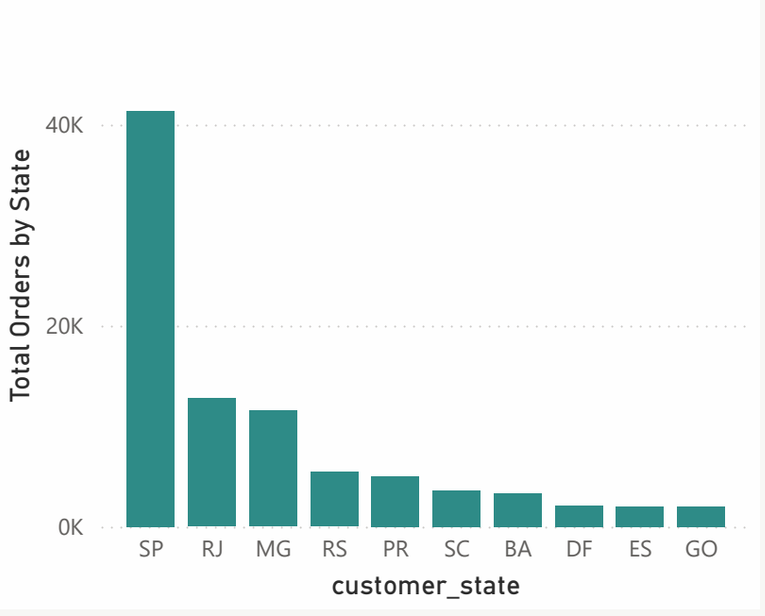

Cross-state orders take ~2x longer to deliver and get more 1-star reviews than same-state orders

segment

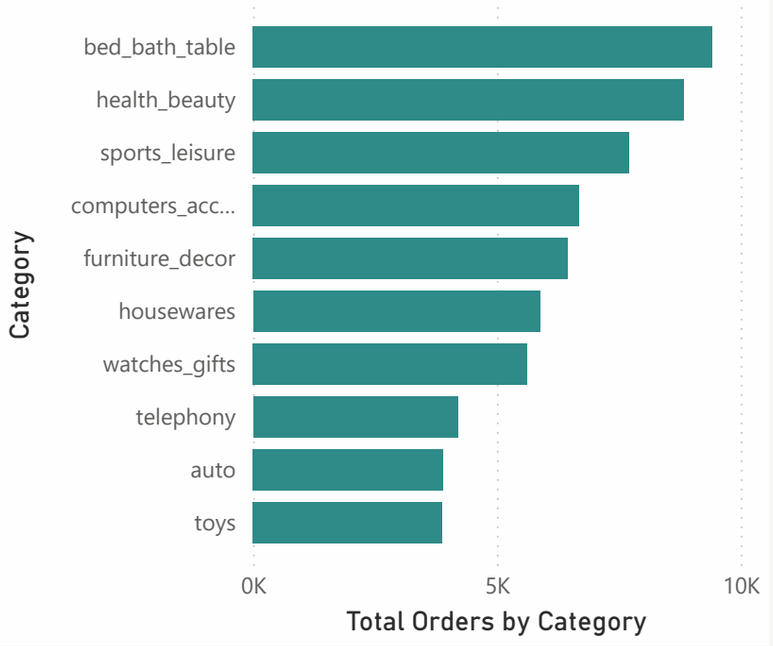

All

Category

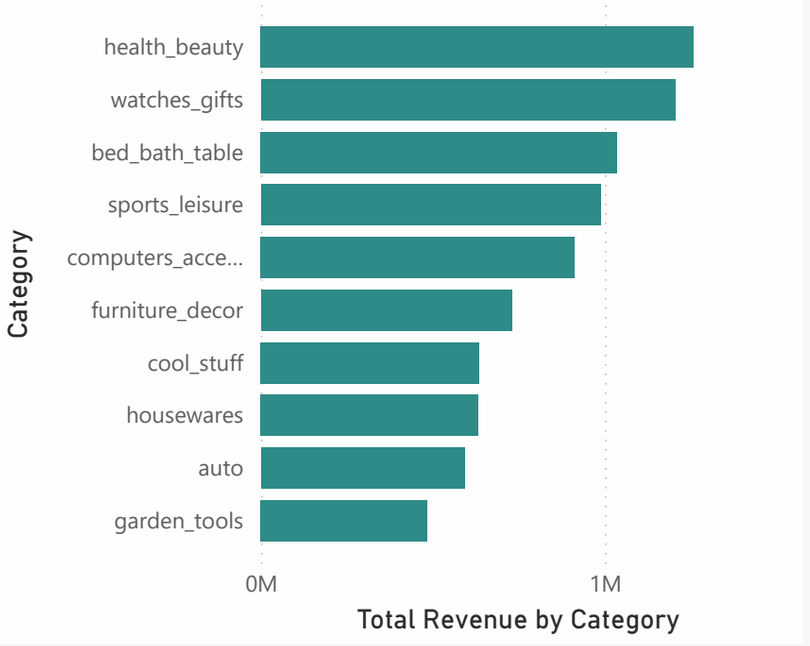

All

bed_bath_table leads by order volume, but health_beauty and watches_gifts drive more revenue with fewer orders — higher-value baskets.
